No.3625 C4/52 dated 12-11-1952.

Sir,

Sub: Education - Industrial - Rayalaseema Polytechnic, Bellary - Sri K. Chandrasekhara Rao - Arrear claims of increment - Sanction - Requesting.

On 21-4-1950 the Principal, Rayalaseema Polytechnic, Bellary recommended sanction of periodical increment to Sri K. Chandrasekhara Rao, an approved probationer in the post of Instructor, Industrial School section, raising his pay to Rs.62/- in the scale of Pay of Rs-50-3-80 with effect from 1-1-1950. The Principal was asked to send the Service Register of the instructor for verification of the increment certificate and the service register stated to have been sent by registered post on 25-5-1950 along with some other letters, was not received in this Office. After a thorough search both in the Principal's office and this Office, the Principal was asked to prepare a fresh service Register with reference to pay bills and other records and it was received in this Office on 18-9-51 and increment due to the Instructor was sanctioned and the increment certificates returned to the Principal on 1-11-1951. The Principal addressed the Accountant General on 15-11-1951 for preauditing the claim for arrears prior to one year from the date of sanction.

I enclose for the information of Government copies of letter R.C. 997-A/50 dated 15-11-1951 of the Principal, Rayalaseema Polytechnic, Bellary to the Accountant General, Madras, forwarding for preaudit a supplemental bill in respect of arrear claim of increment due to the Instructor for the period in 1950 and the Accountant General's pre-audit objection No. T. X.B. Ind. 137. dated 25-6-1952 requiring sanction of Government for admitting the claim relating to the period prior to one year before the date of detection of underpayment.

In the circumstances explained in paragraph I above, the delay in preferring the claim was unavoidable and Sri K. Chandrasekhara Rao, Instructor was in no way responsible for the delay. I therefore request that Government may be pleased to authorise the Accountant General to admit the claim for arrears of increment due to the Instructor.

Sub: Claim - Arrear claims - Increment - Rayalaseema Polytechnic, Bellary - Preaudit - Requested.

***

I herewith forward the supplemental pay bill and the increment certificate for the increments sanctioned for the period in 1950. As the claim for the arrears for the period before one year of the date of sanction of the increment requires the Accountant General's preaudit before payment, I request it may kindly be preaudited and returned for payment. The arrears from 1-11-50 has been drawn in this Office bill No.132/51-52 at Bellary Huzur Treasury enclosing a copy of increment certificate.

It may kindly be treated as urgent and the bill returned after preaudit early.

1. The reason for the delay in claiming the arrear increment and D.A. may be stated.
2. The responsibility for the delay may be fixed and it may please be stated whether the incumbant was responsible for the delay.
3) If the delay was due to the negligence on the part of the incumbant, it may please be stated why 15% cut should not be imposed on the arrear claims made in the two bills.

Sanctions of Government will also be necessary for admitting the claims relating to the period prior to one year before the date of detection of under payment.
